

TURNKEY HOSPITAL CONSULTANCY SERVICES

The background image is a collage of medical and architectural elements. On the left, a silver stethoscope is positioned vertically. In the center, a whiteboard has handwritten diagrams with 'X' and 'O' markers and arrows. To the right, several rolled-up architectural blueprints are visible, showing floor plans and technical drawings. At the bottom, a yellow hard hat is partially shown, and a whiteboard marker with 'WHITE BOARD' written on it lies diagonally. The entire scene is set against a light blue background.
